DOMINION ORDERS IN COUNCIL.

P.C. No. 2393.

NOTICE.

Certified copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor-General, on the 20th November, 1922.

THE Committee of the Privy Council have had before them a report, dated 9th November, 1922, from the Minister of the Interior, submitting that the regulations for the administration of grazing lands in the Railway Belt in British Columbia, approved by Order in Council of the 13th May, 1910, and subsequent Orders in Council, provide that no applicant shall be permitted to hold under lease by original application or by assignment more than 25,000 acres of Dominion Lands.

The Minister states that application has been made to him by Messrs. A. Fehr, H. M. Vasey, H. A. Ferguson, Raymond Leighton, C. A. Jarboe, Alfred Cameron, and the British Columbia Fruitlands, Limited, who already hold under lease more than 25,000 acres of Dominion Lands, for a joint grazing lease covering Sections 3, 4, 5, 6, 7, 8, 9, 10, 16, 17, 18, south halves of Sections 23 and 24, Township 19, Range 21; and Sections 32 and 33, Township 18, Range 21, west of the 6th Meridian. The tract applied for has been inspected by an officer of the Department of the Interior, who reported that the lands are unfit for agricultural purposes, that they are situated on a plateau and, en bloc, are particularly adapted for grazing purposes; that a division of the lands cannot be made as during the spring and summer months the cattle run all over this tract and in the general round-up and branding season they are sorted out and distributed to the rightful owners, that the applicants have had exclusive use of the land for a number of years, and that it is not practicable for any stockmen, other than the applicants, to make use of the lands covered by the application.

The Minister, being of the opinion that the live-stock industry should be encouraged, recommends that Messrs. A. Fehr, H. M. Vasey, H. A. Ferguson, Raymond Leighton, C. A. Jarboe, Alfred Cameron, and the British Columbia Fruitlands, Limited, be granted a grazing lease covering Sections 3, 4, 5, 6, 7, 8, 9, 10, 16, 17, 18, south halves of Sections 23 and 24, Township 19, Range 21; and Sections 32 and 33, Township 18, Range 21, west of the 6th Meridian, under the regulations above referred to, regardless of the fact that they already hold under lease jointly more than 25,000 acres of Dominion Lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) RODOLPHE BOUDREAU,
4873-no30 Clerk of the Privy Council.

LEGISLATIVE ASSEMBLY.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO
PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the

publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each

page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.
